I think a simple side agreement. bill is p=rchasing in interest in yuris fund, the purchase price w=ll be considered an additional advance as per the last contract. .=i.e. if the price is higher . boris retains 50 percent of the profit,&nb=p; if it is lower boris eats it., by definition of an advance. shou=d have the draft by the end of today or tomorrow morning,

Will be=in meetings – avail after 6 your time

=nbsp;

What yo= outline might work. I assume we'd try to do an addendum o= simple agreement for this? Can we move directly to that to expedi=e and use to cover any issues? Do you want to do first pass?

It's easy. =Bill uses a 10-15 million dollar advance to buy his interest in the fund. =nbsp;Boris gets all the downside and fifty percent of the upside. =3B Both are in the same position re the last deal , and bill has a free ride on 50 percent of the interests ups . Minus = three year cost of money on the advance .
