Small Space Hospitality

The holiday season is upon us, meaning time to visit with family and friends. Many of us will welcome guests into our abodes, but entertaining is a challenge when space is at a premium. Worry not, we've gathered an array of items to help you accommodate guests with style and grace - with or without that extra bedroom. From convertible sofa beds to versatile drawer units and pillows and throws for adding a dash of color, go ahead and invite your cousins to spend the weekend with you. We've got you covered.
