Just to give you precise timing for me...

I have a Sony board meeting on the 30th of October in Tokyo and am free from the 31st. I need to be in SF on the evening of the 5th of November.

The best is if you guys could arrive on the 30th of October and we could make the train to Kyoto on the 31st. We could hang out in Kyoto for a few days and maybe head back on the weekend or something?

Let me know. This would be perfect for me. ;-)
