Hi Jeffrey,  
Hope your Summer goes well-svenska sommaren is the best in years!! which is perfect for everybody on vacation here right now-makes it a bit harder to be in the office every day but no complaints-I love Stockholm in the summer!

We are planning the next BBB event for August 7 and thought maybe you want to join us then?? It is called BBBBoat & Birthday and we'll do it on a boat in the harbor and you have to guess whose birthday it may be...Can you come? Let me know! Kram BE
