Forget it.

I am beyond disgusted by your behavior. The fact I pay the price for what you did with hookers is one thing, being nasty to me after I saved your life is another but it is a whole new level when you attempt to undermine and sabotage me behind my back for no reason. I don't know what you are thinking...

I expect you to settle what you promised and owe me as per our agreement, you can deduct this from the final amount.
