No. I spoke to Philip...and he had left messages and then I think the Phil was going away for a few days and he is going to settle this in the beginning of July or some cock-a-mamie story like that. I did actually have a civil conversation with Philip and he seemed to want to finish his.

I will mail him now and remind him and call him on Monday when I will be back in NYC Munich is great fun. Films terrific. All very culturally interesting. xoxo =eg =
