Hi Lesley -

[REDACTED] gave me your email.

She came to me yesterday for private speech coaching and said that it your office that would be paying for it. My usual policy is for the student to pay and have them submit to whomever for reimbursement. If you would like to work out other arrangements, we can discuss that.

Please let me know how you want to work this as [REDACTED] has booked another session for next Sunday.

Thank you for you kind attention in this matter.

Regards,

Lester
