what would his dream job be?

John is very interested. He loved Las Vegas when we were there over Christmas. I think he feels a bit intimidated, especially after his interview with The Breakers did not end up in a job. How do we proceed? Also, did you once mention you know the people associated with Atlantis in the Bahamas? Also, what about Hyatt? Where he can get the best start is where he should go. He knows he is entry-level and is a hard worker and fast learner.

I'll tell him when I get home tonight. We just got back from Roatan, an island off Honduras, from a week's diving and he got 20 scuba dives in. Now he wants to run a resort in an exotic location. I told him to get to work in a hotel with activity attached (Golf, gambling, conventions etc.) gain experience in all aspects of the industry and it is possible. Ah, to be 22 again and convinced everything is not only possible, but going to happen!
