Larry,

We have 3 options, a Lear 35, a Lear 40 and an outstanding Lear 55. The 35 and the 45 are priced slightly higher (\$14,500 range) than the 55. The Lear 55 operator is eager to work with us on our NCAA recruiting business so we have a preferred price we can share with you.

We recommend the following for Jeffrey;

Lear 55 belted for 7 pax, (5 captains chairs, 2 pax divan).

SAF-SMO

Sunday, April 28

Price: \$13,991.00 (includes FET)

Catering not included.

Let me know soonest if you would like to reserve this option.

Thanks,

Larry,

Good to hear from you.

Couple of questions re: this trip. How many in his party? What type of Learjet does he prefer? 35? 45? 65? One way or round trip?

Let me know and we will provide some options for you.

Thanks.
