ive supported you for ten years, you certainly hurt me more than helped me but thats irrelevant. I will consider helping you gain, though you don't seem to understand giving , you still ask for something without giving anything in return , or providing fun novelty, peace, i sent you to thailand , as a gift. i lent you money, i gave you money , I receive twenty requests a day for favors, money, help. some from people i don't know some from family, you have asked and asked , i rarely say no, but each time you forget the idea of exchange instead of just one more " can i have". its tedious and unhelpful
