I'm waiting for an answer from Sacco on arrival date of rug.. will let you know.
Sofas, are you referring to sofas for pool cabana? I was under the impression we were still trying to figure out the best configuration of the room once the rug arrives and the media center for hill room so you can see it first and see if another configuration of that storage unit would work for the pool cabana, as well as if the color of the sofa should be white considering the rug will be white(maybe too much white?) If you aren't happy with the current couches in pool cabana, Crate and Barrel still has these couches in stock(same as ones in PB pool cabana) Could be a good option if you want to stick with white couches, or also comes in black.
