Swanson put the LLC owning 1220 SOB into ch 11 five months ago. TD (\$20.2M first) and Kosoy (\$5.3 M second) did nothing for a while then TD filed a foreclosure and Kosoy followed (for \$8.2M including interest and an "exit fee"). Interesting = Kosoy was so passive. (I met with him in November - he blusters but then talks discount.) Swanson filed a plan with the court offering a deed in lieu if house doesn't = sell by December. It seems TD and Kosoy wont wait. Court is supposed to rule next week. (By the way, the Hammonds house at 1275 - a very similar - a smaller Swanson spec (13000 sf vs 27,000 sf) on a smaller lot - was lowered to \$349 by Cris Condon.) Technically 1220 is still listed at \$74. No action at any price because its so blighted by Swanson's posture and well known woes. Almost everything else has = sold - literally - and at very strong prices except Swanson's other spec on El Bravo and S Ocean. = There are possibilities there maybe in the mid \$20s leaving a \$7M gross profit next = season.

In case you havent followed= the PB real estate season....Moens put together 3 = oceanfront lots and 1 interior lot in Blossom and sold them to Ken Griffin for \$130M= . Only 1 was on market.=A0 Halle bought Gay Gaines' (N Ocean next to Limbaugh) for \$42.=A0 = Two pieces on S Ocean (near ex Conrad Black) sold as lots in the mid \$20s. = Fred Adler sold for \$18. The Wittman spec on Banyan and S = Ocean sold for close to \$21. Moens has a contract on his own house on S Ocean for \$20. Ray Floyd sold = for \$22.

=A0I also like the 2 lots (now off mkt but still available around \$12) just north of Steve Ross (ex Stu) at 702 N County if someone built a modern house of 9000 sf on it (@ = \$500 per sf) would be worth \$30.
