Subject: zorro blk and white photo

There is a company, anyart.com <<http://anyart.com>> , that has an artist which can start painting the black and white zorro photo this weekend. He just finished the attached black and white painting. He has also done a lot of large format cityscapes for them. If you'd like to see more of his work, I can have them send some more examples. They would charge \$3250 to paint the canvas 10ftx6ft in size pls advise how to proceed
