I have looked on Amazon, Barnes and Noble, Strand websites as well as the Penguin Publishing website and can only find paperback books of "The Shortness of Life" by Seneca M...I called a rare bookstore in NY (Book Culture Inc) and the person I spoke with believes this essay was never put out in a hard back version. I called Penguin, the publisher, but they are not open on a Sunday.

Would you like me to purchase the paperback version from Amazon today and have it delivered tomorrow (or maybe I can find in stock at a Barnes and Noble and have Julia pick up today...it does look to be in stock) Please advise.
