Thanks but I am not a good instructor. My student almost killed me this week by putting us in a PIN!! I thought that was it...it could have been the easy out you seem to be looking for. Instructing would sure increase those chances..

In an attempt to still be helpful, I believe I have found you a really great full time job. It would be a flight instructor, working full time for my friend Dean Kamen, (Segway). He has four hundred engineers, owns a heli co, three helis and a emraier phenom.

He wants all his engineer to learn to fly= you would be the instructor, you would learn to fly helis and his small jet, the week would be up in new hampshire, he is considered the thomas edison of the 21 century, &=bsp; 61 , never married so no girlfriends to deal with Larry =lew with him today, its an amazing opportunity, .&=bsp; He will interview you when and if you are ready,
