Hi Soon-Yi=

=omorrow, we will have lunch at Sophie Dumesnil's house, a very good =riend of the Lang family. Amongst the people attending will be also present Josiane Balasko.

Josiane is one of the=most popular French actress' literally and quite close to people, on one hand for being a=director and an actress, and on the other hand for her active political in=olvement in social issues. In fact, she is the only actress in France batt=ing for immigrants and homeless people. Anti pin-up, she was part of great=popular comedy films which generated millions of viewers.

<= class=MsoNormal>Here are two of her great successfu= movies with more than 10 million viewers:

- = Les Bronzés Fon= Du Ski (1979)
- </=pan>Le Père Noël Est Une Ordu= (1982)

These films get the best audience on each television broadcast even today. People know by heart the lines of some her films.

Josiane makes comedy films on important social subjects: "Les Keufs" (1987) [on suburbs], "Gazon Maudit" (1995) [on lesbian couples].

She has just directed her own movie which shall be released soon and in which she is the lead role. She is a loved actress, a simple very straightforward person. She is a role model to women for her strength of character and independence.

Josiane Balasko is married since 10 years to an Indian Apache actor from Michigan.
