**Subject:** more -

spoke with boris and a few others this afternoon.  
preference is for NYC  
either after CGI or in October.

There's a production co (2 people) I've worked with that is fantastic, =hat can help me with all the details, handle all AV,  
etc.  
I'll be talking with them soon and will figure out what it would cost to =et their help.

1 day, 1.5 days or 2 days?

I'm asking people to come up with brilliant folks (as speakers) who can =ander out to the "edge" vs. go with fully "baked"  
stuff.

For women, I'm thinking of asking Mary Lou Jepsen (reading thoughts, =ext gen neuro) and Regina Dugan (big data, etc.).

Also Frank Heidt on cyber security, Chinese and Russian hackers, etc.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE
