Subject: Re:

Closing a deal to buy a HK listco next week. Contemplating what to inject into the company. It's between the airport city business vs. luxury brand investment. Leaning towards airport city, which has no competition (thus far only state SOE in the space), easy to explain to the market (developer focused on airport related property) and we have the track record (done the biggest airport logistics zone in China).

Otherwise, winding down for the holiday.

Desmond
