You must get out your big speakers alone or with great earphones. Then, erase and discard this. Miasha hit the top ten Billboard Dance Songs. All is good. I am sending this that she recorded today with no voice fixes, etc. There are two tracks. One the introduction to "Maniac". If this isn't James Bond soundtrack material, I do not know what is. Hope we can see you first week of April...Fred arrives on the 4th with only days..but... xo
