I have booked a flight that departs for London on the night of the 14th December.  
On the schedule you are planning to leave for LSJ on the 14th. Les is on vacation from the 12th until the 16th. So at least I am still here from the time she leaves until you leave for LSJ.  
My family has a trip planned to Norway 16th-24th. Then I would just like to spend Xmas eve with mommy but will be available to come to wherever you are after that if you need me.
