You are invited to join us at Dialog 2014 -- a two-day bipartisan retreat discussing how to change the world.

DETAILS

You're invited to join us at the Dialog Retreat ... 150 people to change the world ... a participatory and entrepreneurial conversation on changing the world.

The Dialog participants aren't modest. We want to change the world.

But we don't want to spend our time being in a large audience listening to winded speeches. There are no speakers. No panels. All attendees participate in break-out facilitated discussions. And we limit the discussion to only 150 global leaders

Dates: March 13-15, 2014

Location: Sundance Resort, Utah (40 minutes from the Salt Lake City airport)

We've rented out the entire resort

We hope you can join us.
