On way to LA for American Masters: Inventing David Geffen

Met with Ryan yesterday...he has a large company that places large sums of sponsorship money, and endorsements and celebrity tie-ins....he wants to give me 200 to 400,000 from Mercedes to do a Mercedes screening series. He has many other companies. He also buys and sells companies. He read all my diaries.

My friend Jason Weinberg, who started as a pr guy and now manages hundreds of the biggest stars works with Ryan for his clients endorsements. ie Blake Lively and Gucci perfume...

Ryan has a sports division, a fashion division and no film division. He needs screenings...LA and NY.

I spoke to Darren who plans on leaving mid-January to move to LA with no concrete plans. I told him we can have a business (Bryan is retiring) and I have found an unlimited source of sponsorship....especially for all the titles from Jan to Sept when studios release lesser titles.

On Oscar work they pay me top dollar because I have cornered the market with the academy....although Bantry's forte is negotiating the deals...we can use his templet.

Darrin is very valuable in that he is very organized and fast in going after titles. In the past year, we have crushed Andrew Saffir. When I told him he can have an office there and never have to scroung for money he became very interested. Of course we finally would get lawyers and have legal agreements..m

Darrin is coming with me to Ryan Schinman's office Monday at 2:30pm.

If I can pull this together...maybe put Darrin's name on the door with me....we can make much more money and not have to deal with Bryan micro managing staff I am told I mistreat. I will not defend myself because I have a very hard working assistant who has no grammar skills...which is draining when communicating with the most brilliant entertainers in USA/world. We can restaff my assistant and keep the kids that are trained.

Can you look up this company?
Do you know Ryan Schinman?

Darin know the company...and apparently when he went to low level workers for sponsorship he was not successful.

On way to airport. Forgot to send those two dvds. They are in my bedroom and can send to you in NYC. When are you back?

You can see me anytime Friday. The screening at Sony is at 6:30pm of Zero Dark Thirty.
Your thoughts? My plane takes off at 10:30am. Peg Peggy Siegal Company Office 212.935.6700 Mobil 917.783.4113
