I have spoken to Eva, I will give her 10N and 11B. Not that I am relying on it but I have a feeling our guests may not make it in the week with the storm.

Hey [REDACTED]. .. We have 10n and 11b available for tonight BUT they would have to be cleaned tomorrow and ready for our guests coming to stay on the 30th. If that is possible and JE says yes, then we can do it.
