THANK YOU SO MUCH!!!!

So sorry that we did not meet this time. Nevertheless, once again I am hearing stories about you and a trail of broken hearts that you are leaving behind you ;)

Re cochlear implants=;

His dad has already a surgeon. A question is much simpler – he needs to decide which of three devices he wants

3 choices are:

=/p>

1. Maestro cochlear implant system by Med El (medical electronics)
2. Nucleus System by Cochlear
3. Advanced Bionics

<=p>

<=p>

It seems that his surgeon has some relationship with one of the company/device so we are just trying to be better informed.

Do you know anyone who could recommend which one of these three?

Should I contact your guy=(below).

<=p>

Jee – I think that Moody was commenting the same devices?

<=p>

Thank you
