My dear Jeffrey,

Please give me some news, where you are and when you are coming to Paris

did you get my invoices for your apartment?

I am looking a lot of information about moving to US and sending my resumes to a lot of companies.

As far as my family had a house and we lived there for a couple years in Miami, i am thinking again about this place.

What do you think?

In paris is getting worse and worse and all wise people left)) thinking all the time about it.

give me some news about you that all is good.....worried ...

kisses
