It's rather difficult to interpret your writing and even more difficult to write an
answer that can be interpreted as is, as a good Will.

There should be a misunderstanding: I thought you wanted to help me because
you liked helping people with some potential, because it brings you satisfaction and amuses you, a sort of the
best game ever, and not for any exchange.

And I am surprised that you didn't see the biggest thank you in the world in my
eyes, I presumed you didn't care about the words, clever as you are.

You told you didn't care about the food, but if you prefer cookie to grabbing my
ass, that's perfect cause I prefer this too!!!

I very much enjoy seeing you. I am perplexed. 1. you have great potential, 2,
you want my help guidance advice, however you have yet to say thank you one time, , you have yet to bring even a
cookie as a good will. most times I try to explain to someone that in return for something I want , I will give , offer,
suggest an exchange. the first exchange being a thank you. . You are sophisticated beyond your years, and clever , it
leaves me wondering, what I should do because if I am able to find you an opportunity , will you say thank you, to
them, or will I hear regrets. you are out of training, and it very much concerns me
