Subject: GII autopilot

Jeffrey,
Meridean changed the pitch computer for autopilot,.
I'd like to accomplish a test flight at 1:00pm tomorrow for 30min.
I'd like to determine if this repairs the autopilot and evaluate the heating issue we experienced on last flight from chicago.
If its not working properly, I have next week to continue trouble shooting before your on board.
Do you approve of short test flight tomorrow?

Thank you,
Larry
