Subject: Washington charter

Jeffrey,
Ray Boylan quoted \$7,700 for charter to Washington Dulles. CJIII jet, its a 10 passenger CJ Jet.
It appears charter operators are avoiding landing at DCA Washington Reagan airport. They only will fly into Dulles.
I am waiting for one more quote from Suran (Tommy Mortolla's charter person).

Pls advise if you like the CJIII for \$7,700 total Teterboro - Dulles - Teterboro?

Thx,
Larry
Note: IAD is Dullas and DCA is downtown Regan Airport.

Larry,

Sorry for the delay on this, we were trying to find an operator priced right and willing to fly into Reagan. We have a CJIII that can do the mission but the operator (as a matter of fact, none of the operators we spoke with) will fly into DCA. They want to route it TEB-IAD-TEB. Hope that works, price is \$7,700.00.

Let me know if we should firm it up with the operator and we will email you a contract and wiring instrx.

Best,

Ray
