Subject: Question

Do you have any apt empty on 66 st.

Sam just called that there will not be power and water through Saturday. He=can't stay at friend Lisa any more as few other people from downtown came.=nbsp; If you have anything through Saturday that what would be great.

If you have, pls have some of your girls call Sam directly as I will not be=reachable for next 24h or so.

If not - you might have someone from downtown in - pls do not worry.

Thank you

B
