Jeffrey,

Just heads up, we are due below floor lower bilge inspection and =ux fuel tank removal inspection on the Boeing 727, March 1st, 2013. Morrison would prefer Flight Star in Jacksonville to=20 accomplish the fuel tank work, since they spear headed the Fuel tank update.

Are you thinking of flying the Boeing to LSJ on the Oct 26th by a=y chance?

thank you,  
Larry
