Hi Philippe, Jeff, Kevin and Cliff:

I just reviewed this=info site and the whole thing needs to be rewritten.

The content is an exact duplicate of the=previous website. Secondly it is entirely 'fluff' writing and completely u=grammatical. It comes across as a cheap blog.

I'm sorry to be abru=t but the content has to be a decent representation.

There is A LOT of content on Jeffrey and=the writing should be factual, journalistic and simple. No commentaries or=kept to a minimum. Please refer to Jeffrey's press releases, his blog, .or=, usvi site and wiki page.

The website catagories should be clear a=d distinguishable. For example: (financial background, science philanthrop=, medical research, education philanthropy, faith based charities, confere=ces, collaborating with scientists, looking forward)

IE:

Financial Background

Take the text from Wi=ipedia: it has details on his options work at Bear Stearns, his educationa= background, info on Radar, etc.

Please call me to discuss-- so we can ge= better content out.

thank you,
