We went back to the hotel, going to see shows tomorrow! Jean luc's friend (a young kiev jewish guy, seems honest and nice, very naive) was talking the whole evening about his "business ideas" to create a non-profit mother agency, help girls etc... But jean luc said he is a great scout - so I was very nice with him!
Finally heard back from [REDACTED] - she just got to kiev! will call her tmw if she gives me her number! She must have girlfriends!

Jean Luc told me to be careful tomorrow - he said I will be in the centre of attention cause kiev is small and no one knows me. So the strategy is to make friends with girls and get their contacts to start with. There will be also girls who work in NY and paris (so no visa issues), I will try to meet them and exchange contacts! I don't think jean luc wants me to introduce myself as a scout from mc2 (he said to say that I was visiting my relatives in ukraine). I m sure I can find some good ones once we are there!
