**Subject:** Your phone message

Peggy,

I am out of the office, but received your message. I met with the accountants the other week, and they are finishing the final accounting. This will be forwarded to you shortly, along with the proper documents, in order to make the final distributions.

A few weeks ago I was in Florida at a Lighting Conference, and received "15" phone messages between my cell, office and home numbers, from Jeffrey Epstein and his secretary [REDACTED]. As I indicated to you previously, any information you need about the estate, please contact me directly, and I will do my best to answer your questions.

Thank you,  
Gary
