The 1041 is the income tax return for your [REDACTED] estate. The 1040 is obviously her final personal income tax return. We are still waiting for the estate return and the trust accounting.

#1. [REDACTED] sent a fed-ex letter that I received Friday...which I will fax to you Monday.

It says:

This week we filed form #1041-U.S. Income tax Return for Estates and Trusts, and form #1040- U.S. Individual Tax Return, for 2011.

We are in the process of finalizing the accounting of the Estate, which will be forwarded to you shortly, as well as the final Distributions.

Enclosed is a Distribution Check for \$100,000.00. Please sign the receipt of beneficiary form, and return to me.
