Subject: My schedule

Jeffery;
My scheduled flight was for this afternoon.
I had planned to work in the office tomorrow to get the work schedules going.
It is clear that you want detailed work for housekeepers.
We also need clearer work schedules for the mechanics and landscapers.
There is a lot of work to do. I will try to make sure it is all assigned.

I can be back Sunday night or Mon, morning depending on your thoughts.
Craig
