Hello [REDACTED],

Stephen is extremely busy right now, so I apologize in his taking so long to arrange. To help us get a better grasp on his visit, does Jeffrey want to stop by to say "hi" or is there a specific agenda?

Talk to you soon.

Hi Erik. Hope you are doing well...checking in...April 15th is slowly approaching...Jeffrey Epstein will be visiting several scientists and professors up at Harvard and hoped to be able to meet with Stephen. Jeffrey is bringing along Leon Black of Apollo Management and Justin Hearst, the grandson of William, who Jeffrey thought Stephen may find interesting as well.

Please let me know if Stephen might be around and have an interest.

Thanks,

Hello Ann. Hope you are well. Jeffrey Epstein is up at Harvard today and wondered if Mr. Wolfram might have any time this evening to visit with him...possibly in the 5-7:30 time frame? I know this is very short notice, but sometimes these things work out!

Please let me know.

I just called your office but could not leave a voice mail message...the phone just rang and rang.
