Is there any connection between these guys and your flight school that you attended? , telling men you have a fiancé is the best solution to sex advances . Not boyfriend , no husband ,=but fiancé

I like the 500k, I just find it too good to be true for my first job. I am suspicious it is just bait and it would never happen. Do you think it can be real?

I don't know what to do. What do successful attractive women do to get out of these situations? I should just have him call you ;)
