Jeffrey,  
attached is Plane Perfect's quote for Bell 430 which includes:  
New Carpet passenger and cockpit Area.  
new carpet in baggage compartment  
new wood ledges  
leather installed on fwd and aft bulkheads,  
Bentley style seats (seating for 6 passengers in rear)  
remove center credenza and install seat belt and new center cushion as depicted in Bell 430 interior you liked,.  
new side wall panels below drink ledge in passenger compartment and cockpit, covered in leather  
total \$110,652.00 from plane perfect interiors in West Palm beach, they could work on the Helicopter while  
new windshields and Barrier filter is installed in Fort Lauderdale,.

I will contact Toy store and tell the \$100k for same work and see if they bite.

will keep you posted,  
thx,  
Larry
