yea, he actually texted me yesterday. He asked if I was seeing anyone and I told him yes, and he said he is disappointed that I don't keep in touch and he wants to be friends and talk again, blah, blah.. I'm not sure how I feel about it. I don't really see the point as I'm not sure he's addressed his "issues"

Hope you are doing well. I've seen some recent articles about your philanthropic work re: science and education. Sounds very interesting and it seems that (well I hope) that the bad times are behind you as far as the press is concerned. Oddly, I received a random call from Story, which made me think of you guys (you/[REDACTED]). I guess he is in training at some job at a bank or something....I think. Told me [REDACTED] won't talk to him really. Gotta give it her her...girls got some will power. Anyway, just wanted to say hello.
