**Subject:** Assassination attempt on Mostafa Geha

Dear Fabrice,

I just learned that Mr. Mostafa Geha a lebanese Shiite cedar revolution activist was subject to an assassination attempt not too far from his house along the coastal line between Beirut and Damour.

I just spoke with Mr Geha and informed me that 5 bullets had entered through his car, he still at the scene where the local security started the investigation .

Mr Geha father was assassinated in 1992.

Mr Geha is a secular guitar and been speaking against Hezbollah for couple years.

He is invited to be at a European Parliament conference in Madrid on the 26th and 27th of April.

I will send a press release shortly so it can be routed to UN.

Please share with ambassador Rod-Larsen .
