That's all true, did very bad on my toefl exam but it also because i was very nervous for the first time and hadnt prepare to it enough it was hard to do it and work hard everyday in the hospital I understand all my mistakes and I absolutely agree with everything you said I thought a lot about our last conversation = ... And I must confess that all my stubbornness and own deceptions led to nowhere... I grateful for your big patient to me ... I know and remember everything you did to me and I'll be always appreciate it . I don't know what you mean by your last words , because my willing to live in another place doesn't even have any meanings that I want to leave you ...
