It was beyond awesome. I should have pushed you to go. 90 second prime spot on CCTV news at Golden Hour that night. Watched by 200-300 million people. China Daily top half of front page is me with next Prime Minister of China. Ceremony in Great Hall where they hosted Obama. At dinner Mayor
spoke extemporaneously.   Never seen before by his staff or any of my
Chinese friends. Chinese leaders just don't speak extemporaneously cause it
can be dangerous.   This move has been noted and discussed amongst Chinese
elite. And on on and on.   Hot shit in a cool place.

Will look into Saturday.
