the photos today are interesting but mostly = waste ,, they do not follow the punch list.. im not sure why,=A0
,, the trees at the compass were not to be removed until i got there=, the dock is not to be worked on or replaced until
the very last week,=I made this clear a number of times, , the top of the hill is still = mess. and the interior of five
palms is still behind, . pl=ase follow the punch list. five palms is the priority, gates for the=other entrance to
engineering. . where did the trees that were taken fr=m the compass go. ?
