I got the book finally.

First, I really want to thank you again because I'm getting much better along with men now. Life is a lot easier and better this way!

The trick just works way too well and you were right, I really needed to say "come and get it" because he just stood there, paralyzed. He then came in not more than 5 minutes - so not so much fun for me. I'll try him again tomorrow.

Let me know when you have time to talk on skype.
