Jeffrey,

I honestly have not.

I've not had an email from Sarah for several weeks.... I will check the spam filters but I'm certain nothing has come through.

As for your emails, yes I've seen all of them but I simply didn't know until earlier this morning if I could make it. I did just hear that Sean and I have to fly to Dublin tonight for an important dinner with Bono.

I would have loved to come to the island today for the conference – believe me – but if we need to talk, I can fly tomorrow to spend time with you in the island and on the journey to New York.... seriously, I do want you to know that I'm available to you by phone 24/7, and 365 days a year.

Best wishes,

I=
