Jeffrey,
Heli Expo is in Dallas this weekend, Sunday - Tuesday, PremiAir maintenance managers are attending, Craig will push for airworthiness quote early next week for your review,
thx, Larry
message from Craig:

Hi Larry

I'll push hard to have the answers to you asap although a few absences will delay us a touch. Ty takes off for Heli Expo in Dallas tomorrow first thing and Mikes away until Wednesday on leave. However I can speak with a few people internally to start the ball rolling.

If we're looking to move quickly we should start the Purchase agreement process as quick as possible as this is always the delaying factor. I'm available to chat tomorrow.

Kind regards
