In Prague, going to Dubai tomorrow to meet a british girl w silicone boob, then to India for a couple weeks w a nice brazilian girl. I'll try to send you a photo/video collage to give you an idea of what I've been up to. Spent a couple days w [REDACTED] in Poland a few weeks ago, her family is hilarious, I understand now where her kookiness comes from.

<iv>Are you in NY for the holidays? Getting a little homesick, will probably come back to NY end of Jan. hope all is fine w you...
