Hi E,

Do you know of any other r's? I called Dr. Klagsbrun on Monday and the secretary told me that he will call me when he has a free moment. I didn't hear back all week so called again today to follow up and she was a bit rude saying he gets all of his messages and that he must not have had the time to call me back. I am finished with the [REDACTED] and would really like to try [REDACTED] soon before the anxiety takes over.

I'll look online for r's but just thought I would touch base to see if you knew of any others.

Nice seeing you today!
