It's not going to work if I submit the application now, because my evaluation is not ready I can't properly enter the coursework. It's a deadline for Columbia and Temple now, for NYU it's February 15. Maybe I should get my evaluation and apply properly for NYU?

Also there is an optional section in the application for professional experience. I entered all dental offices where I worked, and I should mark if I volunteered, got paid, job shadowing exc. Should I just mark volunteered or just leave these section..I don't know, what if they will contact the employer..
