Dear Larry

That's good news and hopefully we can move th=ngs along quick. The slot reserved is on the 18th Dec so let's coordinate a=cordingly.

You can start arranging the bo=escape team to come over and do the job. This should take a week between th= time they come here and get access passes to the aircraft and hangar. I wi=l work on the aircraft availability and hangar bookings.

I= the meantime we need to add the Borescope to the Aircraft Purchase Agreeme=t as an additional separate item. This protects us and you legally, therefo=e the quicker we sign the purchase agreement the quicker the borescope can b= done and we move on to PPI.

Looking forward to hear from you

Regards
